Barykina R. P. & Alyonkin V. Y.: Pubescence of vegetative organs and trichome micromorphology in some Boraginaceae at different ontogenetic stages 1

Szlachetko D. L. & Kolanowska M.: New species of *Stellilabium* (Orchidaceae) from Colombia 30

Lazarević P., Pantović J., Szurdoki E., Papp B. & Sabovljević M.: Distribution, ecology and threat status evaluation of *Sphagnum* species in Serbia 37

Gottschlich G. & Pils G.: *Hieracium tortumense*, a new species from East Anatolia (Turkey) 52

Averyanov L. V., Tillich H.-J., Xiaoming G., Bui Q. H. & Nguyen K. S.: Three new species of *Aspidistra* (Convallariaceae) from Vietnam 57

Szlachetko D. L & Kolanowska M.: Generic separateness and infrageneric classification of *Sigmatostalix* (Orchidaceae) 68

Barykina R. P., Churikova O. V. & Alyonkin V. Y.: Anatomical characteristics of vegetative organs of selected members of *Coldenia* s.l. (Boraginaceae) 80

Mosaferi S., Sheidai M., Keshavarzi M. & Noormohammadi Z.: Species delimitation and population structure analysis in *Polygonum* species (section *Polygonum*) 98

Antipin M. I., Labunskaya E. A. & Choob V. V.: Asymbiotic germination of South African *Holothrix* (Orchidaceae): a successful breeding experiment to prepare repatriation 113

Marciniuk P., Marciniuk J., Oklejewicz K. & Wolanin M.: *Taraxacum zajacii* (section Palustria) – an endemic from Pogórze Dynowskie. Distribution and habitat requirements 121

Sinjushin A. A.: Effects of stem fasciation on inflorescence and flower morphology in legumes 127

Fedotov A. P., Ozerova L. V. & Timonin A. C.: Leaf development in *Curio articulatus* (L. f.) P. V. Heath (Asteraceae – Senecioneae) 135

Naugolnykh S. V.: *Palaeobotrychium* gen. nov., the first discovery of an ophioglossalean fern from the Middle Carboniferous deposits of Russia 147

Chubatova N. V. & Churikova O. A.: Comparative study on the ontomorphogenesisof some *Clematis* and *Atragene species* (Ranunculaceae) based on the evo-devo concept 162

Novitskaya L. L., Nikolaeva N. N. & Tarelkina T. V.: Endogenous variability of the figured wood of Karelian birch 175

Khapugin A. A., Chugunov G. G., Silaeva T. B. & Kunaeva E. N.: *Neottianthe cucullata* (L.) Schltr. (Orchidaceae Juss.), an endangered orchid in Central Russia 189

Szlachetko D. L. & Kolanowska M.: Notes on the genus *Trichocentrum* (Orchidaceae, Oncidieae) and its relatives 203

Veselova T. D., Dzhalilova K. K. & Timonin A. C.: Embryology of *Polycnemum arvense* L. (lower core Caryophyllales) 221

Dakskobler I. & Vreš B.: *Pedicularis julica* E. Mayer × *Pedicularis rostratocapitata* Crantz= *Pedicularis* × *mayeri* nothosp. nov., a new spontaneous hybrid in the genus *Pedicularis* L. 241

Zernov A. S. & Mirzayeva S. N.: *Solanum elaeagnifolium* Cavara, a new invasive species in the Caucasus 253
